

CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

August 12, 2020

Engineering Department – *Steve Farst*

- **Capital Projects:**

Alum Creek Drive and Rohr Road to Port Rd	Construction underway. This will continue for several months. Project managed by Franklin Co. Engineers office (FCEO)
W. Bixby Rd., Phase 2	Design underway. This project, funded by OPWC will bid in late winter 2021.
Phase 1 S. Hamilton/Higgins Intersection improvements	Construction substantially complete. Punch list being prepared.
Phase 2 S. Hamilton/Higgins Intersection improvements	Bids were received on 7/31/2020. Contract is being awarded to Strawser Paving Co. "Notice to Proceed" will be issued before September. Road Improvement/construction will realign the north- and southbound left turn lanes, which is scheduled to be completed this fall and traffic signal equipment reconstruction, to be installed before May 2021.
<u>Streets/Street:</u> 2020 Street Maintenance	Paving work is complete. Glendening Drive: the push-button activated flashing crosswalk assembly is yet to be installed. Next phase to include work at intersection of Main Street and College to mill and resurface asphalt, install drainage improvement, correct ADA ramps and sidewalks and add Streetprint cross-walks. This activity will occur in August/Sept. Road partial closures/detours on Main St. will occur, during daytime hours.
Main St. at Front St.	Work complete
Groveport Rd corridor	Two studies are beginning: (1) Safety study between Greenpointe Drive and Kroger entrance, to identify and design intersection improvements at Greenpointe Drive and at SR 317, and (2) planning study of the thoroughfare route between Bixby Road and SR 317. Consultant is IBI Group, Inc.

- **Development Projects:**

Startech – 4500 Hamilton Rd	Site improvements nearing completion.
2400 Rohr Rd	Site development plans and new infrastructure plans are under review for this site located at the NE corner of Rohr Rd. and Alum Creek Drive. Mass grading plan was approved and soon earthmoving will begin.
5770 Saltzgaber Rd	Site development is underway.
Eastland-Fairfield School	Work has begun
