2016	1,165	26,728
2017	336	21,225
2018	258	21,783
2019	409	24,724
2020	1,213	21,513

Maintenance staff has been working the last couple of weeks removing trees and limbs around the driving range. This has been done to allow more sunlight and air flow and improve the turf conditions on the range tee. They have also been pruning limbs thru out the course for better playing conditions and tree health.
