Groveport Transportation Department Report to Mayor and City Council

The Transportation Department is in annual survey and grant writing season however we had anticipated the busyness this time of year brings. We will report excellent results to Senior Options and be diligent in making application for grant funds from Franklin County as well as Federal funds through MORPC.

G.R.E.A.T. Groveport Rickenbacker Employee Access Transit

- 1) Service is growing in popularity. As of November 8 we had transported 2235 riders safely to and from their employers.
- 2) Our 4th new shuttle was delivered on Tuesday November 3rd, is being outfitted and should be in service by this time.
- 3) We will have a GREAT shuttle vehicle in front of the Municipal Building prior to tonight's meeting so you can see one up close, inside and out.

Groveport Senior Transportation

- 1) For the second year in a row, our Senior Transportation clients told us we are doing an excellent job by returning a 100% "Yes" answer to our survey questionnaire.
- 2) As of today, November 16th, Senior Transportation is offering an expanded variety of lunch destinations on the 3rd Monday of the month. Even though our clients rated our service excellent, they did convey reasonable wishes and we listened.
- 3) You will find the October 2015 Senior Transportation Statistics on the following pages.
