City of Groveport Council
655 Blacklick St.
Groveport, OH 43125

Dear City of Groveport Council Members,

First, thank you very much for your support of those in need of emergency assistance within the City of Groveport. In 2013 we distributed \$9,201 to 36 residents; 2012 we distributed \$10,200 to 39 residents; 2011 we distributed \$7,625 to 37 residents. Throughout the last three year's we have also participated in several City of Groveport sponsored events including Groveport Summer Concert Series, Touch a Truck, Kids & Cops/Back to School Expo, Groveport Car Show and Apple Butter Day.

At our March 4, 2014 Board of Trustees meeting the board moved and unanimously voted to modify our policy of 100% of all Community Partner contributions be applied to the "Client Need" account to 90% with the remaining 10% applied to the "Operations" account. The operations account provides funds for necessary expenditure like phone, postage, copies, tax return preparation fees, contract labor, etc.

We are proud to be partners in the City of Groveport community and we look forward to participation in the events mentioned above in 2014.

Sincerely,
