## Senior Center Council Report October 2022

We ushered in the Fall season with lots of activity at the Groveport Senior Center. We also ushered in Fall with an outbreak of Covid within our membership. We received reports that at least 10 of our active members and one staff had contracted Covid. Our action in response was to close the center for the first week of October. The center was cleaned and professionally sanitized and we were able to reopen our doors on Monday Oct. 10<sup>th</sup>. We have not received any other reports since our closure.

**Two great trips:** Seniors enjoyed two fun trips in October. Our first trip was to the Fairfield County Fair and the second was to an OSU womens volleyball game.

**Halloween Celebration 1:** We had two halloween theme celebrations at the Senior Center. The first included an impromptu “make your own costume” contest during a Thursday lunch. Our lunchers were challenged to create a costume ON one of their table mates with recyclables such as trash bags, toilet paper, tape and tissue paper. This event was sponsored by Aetna who handed out gift cards to the winning costumes.

**Halloween Celebration 2:** Our second Halloween celebration was a costume party lunch sponsored by Wesley Communities. The room was decorated for the holiday with spooky music and all. There was a costume contest that was judged by our coworkers from the Rec Center. Five winners were chosen to receive \$50 gift cards from our sponsor.

**Medicare 101:** Our educational presentation event for October was “What you need to know about Medicare in 2023” This event was sponsored by Barber Insurance who specialize in Medicare Insurance. This event was free of charge to Senior Center members as well as Community members. The event was well attended and very informational.
