

CITY OF GROVEPORT OHIO

January 19, 2016 Groveport Transportation Department Report to Mayor and City Council

We wish to give a huge Thank You to Council, Administration and all Staff persons for helping the Transportation Department get off to a solid start in 2015. It takes positive Teamwork and excellent communications to be successful in launching programs and departments. We look forward to 2016 as a time when we will continue to improve upon the old and new alike having learned from what we did well and not so well. Your support is invaluable and much appreciated.

Groveport Rickenbacker Employee Access Transit, GREAT

- 1) Seasonal forces continue to cause fluctuation in ridership. We share this information with our partners as we all seek to learn how our various transit resources are best applied in the Rickenbacker area. As we do, customer service and accountability to this community remain a top priority.
- 2) You will find the GREAT ridership summary on the following page.

Groveport Senior Transportation

- 1) We are pleased to announce that Groveport Senior Transportation has been awarded an operational grant in the amount of \$11,070.00 from Franklin County Senior Options for the 2016 fiscal year. Lisa Zurbruggen took her first plunge into the grant writing world and did an outstanding job with diligence and attention to detail. Thank You Lisa!
- 2) As we mentioned last month, we are also pursuing a 5310, Federal Transportation Administration grant through MORPC. Changes in the process and future FTA grant allocation timing encouraged us to request 2 accessible vehicles at the customary 80/20 split as well as fuel reimbursement at a 50/50 split. The grant application deadline is January 27th and award announcements are expected mid-year.
- 3) You will find the December 2015 Senior Transportation Statistics on the following page.

Please contact Bob Dowler with any questions, comments or concerns.
