City Administrator Report to Council

BJ King, City Administrator

April 11, 2022

Administrative items

Town Hall Elevator

The Town Hall elevator modernization project underway. It was originally reported that the project would be completed in three weeks. The timeframe will probably be extended due to the availability of materials and equipment.

School Zone Signage

There will be discussion early in the meeting on Monday regarding improvements that can be made to better sign the school zone on Main Street and Wirt Road. We anticipate some community members attending the meeting to comment on this topic. Steve Farst and Brian Strayer will also attend to provide technical input.

Legislation

Ord. 2022-018 – ODOT Salt Bid

Approval of this legislation would authorize the City to participate in the annual ODOT Road Salt Bid for winter 2022/2023. Due to the quickly approaching deadline from ODOT to approve this legislation, the Administration requests that Ordinance 2022-018 be approved via emergency action. We will bid 300 tons of salt for the winter. Brian Strayer will attend the meeting to answer any questions that Council has.
