City Administrator Report to Council
BJ King, City Administrator
August 28, 2023

Pending legislation

Ord. 2023-032- Golf Carts Purchase

Approval of this legislation would authorize the solicitation of bids, and enter into an acquisition agreement, to purchase/lease a new fleet of golf carts. The current fleet of 78 carts was leased in 2017, for \$230,250. We will use trade in value of the current carts to reduce the allocation price for the new fleet. I am hopefully that we can purchase, instead of lease, the new carts to save on interest costs. This ordinance was recommended for approval during the August 21st Committee of the Whole meeting.

Ord. 2023-033- Cemetery Rules

The Cemetery Committee, in conjunction with the Public Services Department, has worked to tweak our rules for the cemetery. The exhibit attached to this legislation highlights the proposed changes. The Cemetery Committee recommended approval of these changes. The changes were also recommended for approval during the August 21st Committee of the Whole meeting.

Ord. 2023-034 – Annexation of 1.94 Acres

Approval of this ordinance would accept the annexation of 1.94 acres of land into the City of Groveport. Jeff Green will be available for questions during the August 28th Council meeting. This legislation did not receive a recommendation during the August 21st Committee of the Whole meeting.

Ord. 2023-035 – Credit Cards Convenience Fees – Utility Payments

Approval of this ordinance would permit the change of vendors for Utility Department credit and debit card payment. Additionally, the convenience fee charged for such transactions would be reduced. The Administration requests that this ordinance gets referred to the September Committee of the Whole meeting.
