GROVEPORT

DECEMBER 2022

Mayor Westcamp, Members of Council & Staff

- On behalf of the Madison Township Fire Department and the Madison Township Trustees, we greatly appreciate the use of the golf carts for our Annual Township Parade. It was a pleasure working with Tom Walker, and we thank you for the approval of their use. These play a valuable role in the ability for our personnel to pass out the goody bags; without them, the parade would not be nearly as successful.
- Apparatus Update:
 - Engine 181 was delivered from its repair this past week and should be placed back in service the week of December 12th.
 - New Engine 183 is still on pace to be put in service the week of December 19th.
 - There is a known transmission issue with Ford's F550 chassis. Medic 181 is out of service due to this issue, and the replacement timeframe is unknown because Ford does not have transmissions available.
- Thank you for inviting the Township to participate in the Heritage Holiday celebration on December 4th. Delivering Mayor Westcamp and Santa to the event was an honor and privilege.
