

## FACILITIES and PARKS STATUS

April 18, 2016

- New window on the south side of the clubhouse at the golf course has been engineered and ordered for installation by the end of March. The window will add sunlight and scenery to the bar area. **This is now complete.**
- Painting has started in the Town Hall. The entire interior will be painted with a new color scheme. **Work continues expect to complete in the next week.**
- The ball diamonds and soccer fields will open on April 16th. Recent rains have made preparation difficult but we will be ready.
- The Madison Township Fire Department has inspected the Municipal Building, Police Department, Town Hall and Kid Space. The MTFD was invited to inspect our facilities so we would know if we had any violations. We had a few but did very well overall. **The FD returned to make sure all violations were addressed and gave us an all clear.**
- The Parks Department is busy ordering Spring materials and we will be ready as soon as the weather breaks.
- The Facilities Department has been doing an assessment of all the facilities so that monthly, quarterly and annual projects can be stored and scheduled into the FMX system. **This project is ongoing.**
- We have begun the new building project at the water plant site. The first phase is the demo of the three old facilities and the

cleanup of the site. A time line will be set after the utilities are disconnected and asbestos testing is complete. We have disconnected the utilities and we expect demo to take place in a month or so. **Work continues**

- A new turtle log has been installed into Palm Pond for use by turtles on sunny days, so far they seem to enjoy it. Another log will be installed next week.
- The community garden has been tilled and is ready for the citizens to start planting.
- HVAC units throughout the city have been inspected and will be ready for the cooling season.
- The green house has been cleaned out and organized so that we will be ready for the annual flower planting project. **Plants are growing and on schedule for planting in early May.**
- The water has been turned on at the aquatics center. We will begin filling the pool the first week of May and turn on all pumps the following week. We will be ready for the Memorial weekend opening..
- We have been very busy in the Rec Center completing many overdo projects. There is a shutdown day scheduled for April 15<sup>th</sup> where we expect to get some painting projects completed.
