***Legislation***

**Ord. 19-021 Elm Street Parking Restrictions (3<sup>rd</sup> Reading)**

Two Council members asked if staff would look at the possibility of making the narrow, western portion of Elm Street one way because of the difficulty of traveling on that section of the street due to its narrowness. We have verified that all houses along that stretch have off street parking. Legislation is being considered to limit parking on Elm Street from College to West to the south side of the street.
