**THIRD THURSDAY**—In order to avoid potential conflict with the Farmer’s Market, the decision has been made to change the First Tuesday event we launched last summer with “Third Thursday”. The Third Thursday events will run from 5-8 PM and will include many of the same activities as last year, along with some new features. The plan is to set up the entire event, including the food trucks, on the south side of Main St. in front of the elementary and middle schools. This will eliminate the need for people to cross back and forth on Main Street and will result in a safer event.
