

# CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

**August 13, 2018**

## **ADMINISTRATION – Marsha Hall**

### ***Legislation***

#### Res. 18-004 ODOT Bike Routes

ODOT is attempting to designate various bike routes in Ohio, including ours in Groveport, to be part of the US Bike Route System. They would like to submit all adopted resolutions from the various entities by the end of September. Because of this it would be helpful if Council would consider three readings and adoption at tonight's meeting. I can then submit the resolution once it becomes effective in thirty days.

#### Res. 18-005 Adopting the Capital Improvement Plan

This is for the period 2019-2023. We are finalizing the CIP and will have it to Council with the agenda for the August 20th Committee of the Whole agenda.

### ***Miscellaneous***

#### Executive Session

Please consider going into executive session at tonight's meeting to discuss economic development matters.
