

Council Report – July 2024

Community Affairs Department – Jessica Wyke

**Fourth of July Celebration (7/3/24)**

The 2-day celebration started off soggy but ended on a high note! The rain delayed the headliner and the fireworks for a short time but they were both worth the wait!

**Independence Day Parade (7/4/24)**

Thank you to Seth Whitehill and TurnPoint Church for sponsoring the new parade software which made organizing the parade a huge success! Community involvement was strong this year with 13 sponsors! Parade attendees positioned around the grandstand were very complimentary regarding this year's new emcee, Michael Loges!

### **Preschool Independence Day Party (7/1/24)**

KidSpace hosted a patriotic-themed party for Ms. Kristin's preschool program attendees to celebrate the Fourth of July! The party featured engaging activities such as red, white, and blue crafts and snacks, fostering a festive and educational environment for the little ones.

### **It's Pub & Grub Tour Time!**

After Tuesdays @ 1, a group of ladies from Cristy's adult program, get together at one of the six participating restaurants to get their cards punched for the Pub & Grub Tour! So far 6 people have redeemed their fully punched tour cards for t-shirts!
