Groveport Transportation Department
Report to Mayor and City Council

The Transportation Department is making final preparations for the coming season. Both the Senior Transportation and GREAT programs will be ready for winter before it arrives.

The Senior Transportation program has added Monday transportation for Critical Care Clients such as dialysis, radiation, etc. Monday had been reserved for personal trips to the grocery, bank and other shopping for a number of years however recently we have seen the need to grow this area of service. The Coordinator and Director will manage this portion of our program on a case by case basis.
