**Groveport Transportation Department
Report to Mayor and City Council**

It is my pleasure to submit the first ever Groveport Transportation Department Report to Mayor Westcamp and Groveport City Council. The Transportation Department is committed to serve Groveport with an exceptional level of customer service just as the Senior Transportation Program has succeeded in doing for many years. We look forward to addressing, embracing and solving new transportation challenges through identifying solutions that align with the culture and are in the best interest of the city.

I will personally work diligently to honor the trust that has been given to me and to earn your respect. Thank you for this opportunity.
