Groveport Rickenbacker Employee Access Transit, GREAT

- 1) GREAT is actively working with Franklin County Engineers, COTA and Duke as we develop multiple route strategies to accommodate construction and improvements in the Alum Creek Drive, Toy Road, Creekside Parkway and Rohr Road area. This project is sure to offer us many opportunities to display our flexibility and problem solving skills in the coming months.
- 2) We have officially announced that GREAT will suspend operations for Easter Sunday and will merge the Green and Blue Routes for the off-peak season beginning on Saturday February 13th.
- 3) GREAT transported its 9,000th ride on Monday February 8th.
- 4) You will find the GREAT ridership summary on the following page.

Groveport Senior Transportation

- 1) Senior Transportation is taking the opportunity to send multiple Drivers to DRIVE Training in February. This course, offered through the Central Ohio Area Agency on Aging, has become the "Basic Training" for all Drivers and staff. Senior Transportation personnel attend an 8 hour class with a 4 hour refresher every 3 years.
- 2) You will find the January 2016 Senior Transportation statistics on the following page.

Please contact Bob Dowler with any questions, comments or concerns.
