October Events-

The Month of October was an extremely busy month for the Groveport Police Department. Our Officers attended 4 Hours of Legal Updates on 1st Amendment Rights in Public Places and Government Facilities. This was the final mandatory training session for 2023 Continuing Professional Training (CPT) Standards per the State of Ohio Legislature and Attorney General Office. Retired Police Commander Robert Meader instructed our officers on (8) hours of the mandated (24) CPT hours, our cost was \$9,000 for the two in person training sessions, and the remainder of the training was held virtually at no cost through the Ohio Peace Officer Training Academy.

The first weekend, Groveport Police Department participated in the "Faith in Blue" law enforcement initiative to increase the awareness to the public positive ways police officers contribute to the community they serve. With the team effort of our staff, the wives and volunteers, we were able to collect a large amount of boxed food and canned food items for the Groveport Food Pantry. I was requested to speak with the South Hills Church located at 434 Main Street, this was also a "Faith in Blue" event, and the church congregation asked about our community and the community events that take place within the city For the month of October.

The following weekend, Groveport Police Department also participated in the 50th Annual Apple Butter Day Festival. Our officers provided overnight security on Friday night through Saturday morning, event traffic security within the event area, and interacted with the public in the Groveport Police Department Concession Tent. As usual, the officers were great ambassadors for the City of Groveport and the Groveport Police Department.

During the third weekend of October, the Groveport Police Department provided equipment to the Blacklick Haunted Park. I provided the MobilePro Security Camera Trailer to monitor the Blacklick Park area, I also stationed two marked patrol vehicles to block the Canal Path from the East of Blacklick Park, along with another marked patrol vehicle at the entrance of Blacklick Park. There were a couple small incidents where individuals went inside the event area and discharged the fire extinguishers, and on Saturday night, several subjects began to throw the tree debris at the actors for the Haunted Forrest.

During Halloween, the Groveport Police Officers provided traffic control for the Groveport Elementary School Halloween Parade on Main Street and Wirt Road. We also provided overall patrol security, including scene security at the Block Party on Front Street during Beggars Night. Other than being cold on that day, we had no reported incidents or complaints on Halloween.

Detective Bureau Recognition-

Det Josh Gilbert (now Sgt. Josh Gilbert) was featured speaker/presenter at the 2023 Ohio Attorney General's Conference in mid-October with the Franklin County Prosecutors Office. The Subject matter that was presented to Law Enforcement Professionals across the State of Ohio was on the extensive Felony Catalytic Converter Theft Cases that Det. Gilbert investigated, and was able to successfully obtain guilty pleas on that totaled over \$20 million-dollar loss/damage to our Central Ohio Communities in and around Groveport. He was asked to present at this conference, due to the systemic theft issues that continue to plague our communities, and that our law enforcement community needs to look at a big picture of how these individuals who prey on our communities have created criminal enterprises which profit off our losses when the thefts occurs.

Prescription Drug Drop Off Collection Box-

One of my goals when I became Chief of Police was establishing a designated area where our citizens could bring old expired prescription medication, or medication that was no longer needed and the individual did not know where to dispose of this medication. With the help of Finance Director Jason Carr, we were able to utilize the Ohio Opioid Settlement Funding that has been issued to the City of Groveport. The \$3,056.95 allocated to purchase this prescription drop off box was paid entirely from the settlement payments that the City of Groveport has been receiving over the past couple of years.

After purchasing and receiving this security drop off box that is monitored by video surveillance and alarm system within the RX Drop Off Unit, the City Facilities Department completed the RX Drop Off Unit in the Groveport Police Department lobby, where our citizens will be able to enter the lobby and drop off their unwanted or expired prescription medication Monday thru Friday 8am to 5pm. We will be placing this notification of RX Drop Off on our FACEBOOK page within the next week to inform our citizens of this service that is provided at no cost to them.

Hiring and Promotions-

With Mayor Westcamp and City Council support, the Groveport Police Department has hired and started Ptl. Josh Dillard on October 26th, where he has begun his Field Training Program for the next 12 weeks. The Sergeants Promotional Process has been completed, and Det. Josh Gilbert and Ptl. Ernie Bell have been promoted to their possessions and they will be training over the next 6 to 8 weeks with the current supervisory staff members.
