Senior Center Council Report September 2021

September brought the end to summer and the beginning of fall to the Groveport Senior Center. To celebrate the end of summer, Mayor (Lance Westcamp) and Councilman (Scott Lockett) sponsored a membership picnic lunch. The picnic took place in the Rec Center gym. This event was a great opportunity for members to gather for fellowship and to have an opportunity to talk to the Mayor. The members in attendance wish to thank Mayor Westcamp and Councilman Lockett for the wonderful food and event.

Columbus Clippers Game- Groveport Senior Center took advantage of the beautiful weather at Senior Day at the Columbus Clippers in September. We are able to utilize our transportation buses to take these fun trips!

Senior Day at the Clippers

Historic Homes Tour

Historic Homes Tour- Our monthly day trip for September was to Lancaster to tour two historic homes and learn about the history of the area. Members pay for their ticket to the venue and the cost of their lunch out (Bob's Backyard BBQ). Next month we will be taking members to the Fall Foliage Train Ride in Nelsonville.

Activities-The Senior Center offers activities in house Monday through Saturday. Some of the most popular and well attended activities are our lunches on Thursdays, card playing, line dancing, billiards, chair volleyball, book club, craft club and our Armchair Travel events. There's lots to do and experience at the Groveport Senior Center!

Third Quarter Report 2021

City of Grovesport Transportation

Progress Report

In order to remove transportation barriers for the senior residents of the City of Grovesport, Grovesport Senior Transportation has continued to offer wellness and personal transportation to those in need. We have registered 20 new clients to our senior transportation roster so far in 2021, giving us a total of 216 clients in the program. We have taken advantage of community outreach events in order to inform the community about the Senior Transportation Program. According to statistics gathered in the third quarter, we served 57 unique individuals for the quarter. A total of 79 unique individual riders have used Grovesport Senior Transportation in 2021. Our goal for 2021 is 95 unique riders. We feel confident that we will be able to reach that goal.

In September of 2021, we conducted our annual survey, calling all clients by phone and personally asking them the survey question, "Does Grovesport Senior Transportation give you transportation resources that help you feel a greater sense of independence?" We were able to reach 139 clients. Out of those 139 clients, 138 of them gave a positive response and one client gave a negative response. This outcome exceeded our goal of 80% positive response. This overwhelming positive response rate supports the fact that Grovesport senior residents rely on Grovesport Senior Transportation to help them achieve a greater sense of independence while navigating their wellness and personal transportation needs.
