DEPARTMENT ACTIVITIES – November 2022

- **Eyes on the Pie 5K:**
 - We successfully launched our first ever Eyes on the Pie 5K Turkey Trot on Thanksgiving Day. We had 55 participants and everyone received a T Shirt and pie for participating. It was a great race, and we will be working on a yearly racing series in the future. Our goal next year is to double the registration of the race.
- **City of Grove City Tour:**
 - We gave a tour of the facility to several City of Grove City department heads and bond/levy committee chairs on December 3rd. They are in the process of exploring building a Rec Center and asked for a tour of our facility for the stakeholders that are involved in the process.
