**City Administrator Report to Council**  
**BJ King, City Administrator**  
**April 25, 2022**

**Legislation**

**Ord. 2022-017 - Acceptance and dedication as public improvements of the water main and sewer main for the Bluestone development**

Approval of this ordinance would accept and dedicate a 198' of 8" water main and 2,069' of 8" sanitary sewer main to serve the Bluestone development as public improvements. These improvements would provide service to lots 2 and 3 of the Bluestone development. This ordinance was recommended for approval during the April 18<sup>th</sup> Committee of the Whole meeting.

**Ord. 2022-019 Acceptance and dedication of public improvements for the Hickory Grove subdivision, Section 3B**

Approval of this ordinance would accept, as public improvements, infrastructure associated with the Hickory Grove subdivision, Section 3B. Inspections of the public infrastructure have been completed and no deficiencies were identified. A caveat to this acceptance is that the City will not accept operation and maintenance responsibility of the stated storm water management pond until the City Administrator receives and accepts a written memorandum from the City Engineer stating that the construction of the subdivision has been completed and the land areas tributary to said pond are sufficiently stabilized. This ordinance was recommended for approval during the April 18<sup>th</sup> Committee of the Whole meeting.

**Ord. 2022-021 – Installation of “No U-Turn” signs on Main Street**

In an effort to improve motorist safety on Main Street, in front of the school, the installation of signs to prohibit U-Turns has been recommended. Approval of this ordinance would authorize the installation of “No U-Turn” signs at the intersection of Main and Wirt Road and at the address of 795 Main Street. Installation of these signs will allow the Police Department to enforce this restriction. The Administration requests that this ordinance be approved as an emergency so the signs can be installed immediately.

**Attended Meetings and Events**
