June Outings

- Thursday June 7th Labor Council (It has been renewed for 2019)
- Friday June 15th SEFC Chamber
- Saturday June 16th USW Golf Outing
- Saturday June 16th Madison Christian
- Friday June 22nd Franklin County Democratic Party Golf Outing

Play continues to be plagued by inclement weather. Several of the league nights are already well behind their scheduled dates due the weather. Despite the weather the course conditions continue to heal out from the flood last summer.

The tree near the entrance to the parking is suffering from Dutch elm disease. We have been monitoring its condition the last several years and this year it has failed to leaf out. It has been recommended by Russel Tree Service that we remove the tree before it becomes a safety risk.
