We have decided to pass on the spring aerification this year. The flood delayed the process and with Leagues and open play it didn't seem appropriate to have them play on the greens. We will top dress and needle tines greens more aggressively during the summer months and still plan our normal fall aerification the week after Labor Day.

Brent Ebright has been hired to fill the vacant full time position on the Golf Shop Staff. Brent has been working on a part time basis at the Golf Course over the past year and has shown his merit and dedication to the City and the Golf Course. May 16th will be his first day in the new role.
