C. Chief of Police - Ralph Portier

Chief Portier informed Council of the passing of Madison Township Police Chief, Michael Ratliff on June 22, 2014. He relayed the dates and times of the arrangements.

D. Director of Finance - Jeff Green

Finance Director Jeff Green advised Council he has been called to serve for jury duty and will be out of the office for the week. He informed Council building plans have been submitted for the last piece of property behind Kubota for Excel, who runs the Toys R Us facility.

E. Director of Law - Kevin Shannon

Law Director Kevin Shannon advised Council the City has

received notification from the Ohio Division of Liquor Control of a party intending to open an establishment at 220 Main St, the old pharmacy building. It appears to be a Moose Lodge; Loom Lodge 1245 Whitehall, DBA Moose Lodge 1245. The four officers of the organization; Dennis Smith, Bill Rose, Ken Fridley and Greg Hughes had background checks run by Chief Portier with nothing coming back out of line. This is the City's opportunity to have a hearing on the matter in front of the Division of Liquor Control as to the advisability of issuing the liquor permit. The City's intent as to a hearing needs to be submitted by July 7, 2014. Mr. Shannon talked with Chief Building Official, Stephen Moore and apparently they have stopped in to speak with Mr. Moore of their desire to open their lodge on Main Street. Mr. Moore advised they could apply, but they will have to go through the City's process of our Planning & Zoning with respect to their occupancy of the building for that purpose. A use variance will have to be approved by Council; currently the approved use of the building is a church. They will have to conform to the building code as to anything they are going to do there. Even if the City doesn't object to the issuance of the liquor permit, it does not mean they will necessarily be able to open their establishment there if they do not comply with our regulations. Council Member Hilbert asked if this permit will affect the City's license. Mr. Shannon stated no, the City is in good shape as it relates to that matter. The Division of Liquor Control sent the City a letter asking what the status was of the Front and Main Street project. It was indicated to them that there is more than an interest, there is actually a significant movement towards the second building that starts construction in the latter part of the fall of this year. Council Member Dildine asked if the lodge did not have to go in front of the voters for this liquor permit. Mr. Shannon advised when there is a permit available the matter does not have to go to the voters. After further discussion, Council determined no hearing was necessary. Council Member Rarey raised the possibility of traffic and parking problems in what he considers to be primarily a residential area. Chief Portier advised most smaller, private organizations often set up in residential areas and the matters of traffic and parking have never been an issue. The department will look for any signs of potential problems if the organization does occupy the building.

F. Council Members - Ed Rarey, Jean Ann Hilbert, Donna Drury, Ed Dildine, Shawn Cleary & Becky Hutson

Council Member Cleary commented on the serious accidents that have occurred in the last couple of weeks. Council Member Hilbert raised the matter of a turn lane on Groveport Road to turn left into the recreation center.

Council Member Drury reported the Summer Free Lunch Program started June 9th and at the end of last week they had served over 1200 lunches. The site here in Groveport has really stepped up this year with a lot of children coming for a free meal.

Council Member Cleary commented on the loss of Madison Township Police Chief, Mike Ratliff, stating he was a class act, a good man who served 34 years with the township and a very professional person.
