

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

June 24, 2019

ADMINISTRATION – *Marsha Hall*

Legislation

Ord. 19-028 School Speed Zone for Groveport-Madison High School

As part of the on-going Hamilton Road – Firehouse Lane project, the school requested a 20 mph school zone for restricted hours be enacted for the high school. We have received approval for this from ODOT as long as we follow the standard 20 mph speed limit. If approved, this will be done in conjunction with the new School Zone flasher system.

Miscellaneous

4th of July Parade

Please plan on meeting at Groveport Park at the float no later than 10:00am. The float will already be in line. You can park at Glendening School off Hendron Road and ride the shuttle to the recreation center if you wish. Since the parade will end at the school, you would be able to pick up your vehicle there. You can also drive to the rec center and park inside the gate of the Public Works complex; I'm sure we can help anyone get a ride back to your car after the parade.

Out of Office

I will be out of the office for part of the week of June 24. I will be in attendance at tonight's Council meeting. I would suggest that you contact me by cellphone if you need to reach me since I'm not sure of the exact days and times I will be in the office.
