

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

March 12, 2014

Engineering Department – *Steve Farst*

- Capital Projects:

Water Treatment Plant - Met with Engineer to review in-progress design & bid docs. Pre-Bid meeting with prospective bidders held on Weds 3/12-10 am.

Port Road Reconstruction - Contracts with Shelly & Sands, Inc. executed and proposed schedule received from contractor. Preconstruction meeting scheduled for 3/14. Meeting being scheduled with area businesses for next week.

Town Center construction - Contractor's activities increased with break in weather. Site parking area grading resumed and area storm sewer installation continues. Reached out to AT&T regarding their relocation activities.

200,000 gal Watertank - maintenance Meeting with Caldwell Tank 4/1/14 to review process & schedule.

- Streets/Street Inventory:

Sidewalks - Inventory of sidewalks (by street) initiated, to be followed with general field condition evaluation. Project description for Wirt Road corridor (from 2011 pedestrian access study) prepared and RFP for survey of Wirt Road corridor developed.

Groveport Rd Resurfacing - Reviewed specs for Franklin Co. Engineer's proposed paving plan (part of regional resurfacing program using ODOT funds) and provided feedback. Paving expected in summer.

- Sanitary System:

CMOM program - (Capacity, Management, Operation & Maintenance) Biennial report turned into the Ohio EPA week of March 7.

- Development projects:

Van Trust Site/Rohr Rd - Review of zoning case for modification to Final Development plan completed, with report made to Planning/Zoning Commission. Site and utility plans being reviewed.
