

Council Update – March 16

Community Affairs Department – Patty Storts, Director

State of the Groveport Madison School

Town Hall staff along with Kyle Lund attended the State of the Schools on March 5. We are very glad that we went. Staff took our signup sheets for our programs and received some new participants. They also handed out information on Groveport's Farmers Market, Veterans Bricks, and Hometown Heroes Banner information. Thanks to Groveport Madison Schools for inviting us.

Heritage Museum

Rick Palsgrove has been hard at work trying to reorganize the Heritage Museum at Town Hall. You must all stop in to see what he has done. It looks great.

Meetings
