**B. Administrator - Marsha Hall**

*Administrator Hall indicated she submitted a recommended system for disposal of vehicles in Council's report. **F. Council Members - Ed Rarey, Jean Ann Hilbert, Donna Drury, Ed Dildine, Shawn Cleary & Jan Stoots**

*Council Member Hilbert believes it is time to update the Village Flag to a City Flag, possibly with a new design or colors to reflect Groveport's growth and accompanying changes. She would like to see residents get involved with creating a new one. She thought the current flag was designed sometime in the early 1990s. She noted that there are so many good artists and creative people in this community that we need to come up with a new city flag that is reflective of the community as a whole. She said that the City has so many wonderful parks and are family-oriented with hometown feel that continues to grow and our flag should be something that reflects that. Mayor Lance Westcamp agreed, saying he was thankful for Hilbert bringing up the issue. He said he was surprised it had been overlooked and this is an opportunity now to give it an update. He said it will take some time but they could start by bringing it up at the Committee of the Whole meeting. Council Member Hilbert encouraged anyone to submit their designs to the City.*

*Council Member Dildine said he was privileged to give a commencement speech to the 8th grade Groveport Elementary School and thanked Patty and Jeff for helping with his speech. He said it was a great honor. Mayor and Council thanked him for*

*representing the City.*

*Council Member Drury said the first day of the Groveport Madison Summer Food Program started today. She said they have several sites and some new ones. She applauded the volunteers who help every year.*

#### **State Rep. Heather Bishoff**

*State Rep. Heather Bishoff was present and updated the Mayor and Council on current events with the State House. She said they are expecting the budget within the next week; however, said they are not expecting any new money for local governments. She said they are constantly discussing HB5 and how it will impact municipalities in the State. She also said she is hoping the new fleet will be sent to Rickenbacker.*

*Council Member Hilbert expressed her strong concern for the lack of financial support from the State to the local schools. She said Groveport's schools are in a very tragic situation and have had to cut a lot of vital programs that will hurt the growth of the teachers and the students. She explained this is the fourth time that the Ohio Supreme Court indicated that the State legislatures are not doing their jobs to help with the schools. She said she is disappointed in the lack of support from the State. She said it's time for somebody to step up and she charged State Rep. Heather Bishoff to take care of this serious issue.*

*State Rep. Heather Bishoff said she appreciates her bringing up the issue and she will work very hard to address the funding with the schools.*

#### **G. Clerk of Council - Kimberly McWilliams**

*Council Member Hilbert said Clerk McWilliams did a wonderful job giving the second grade from Madison Christian School a lesson in government in the Council Chambers. Council thanked her for doing a great job representing the City.*

*Clerk McWilliams reminded everyone that the facilities meeting is next Wednesday.*

*She reported that she received a new permit from the Liquor Board for Dollar General. She wanted to know if Council had any*

*objections on their ability to sell beer or wine for carry out only. Council had questions on how many permits we have left in the City and what the process is if you have to seek the voter's permission and be placed on the ballot. Council Member Hilbert and Council Member Dildine said that Kroger was on the ballot at least three times. Law Director Shannon said he did not know the answer to those questions. Council asked Mr. Shannon to check into the matter.*
