Senior Center Council Report November 2022

- November has been full of the usual FUN & social activities at the Groveport Senior Center. The First Friday Lunch Munchers rolled down to Lancaster and the Texas Roadhouse. The Driver/tour guide (Carrie Martin) took the scenic route and all enjoyed the remaining fall foliage.
- The second week of the month we celebrated the Veterans in our membership with a Mini Museum of items highlighting the service these men and women offered their country and all of us. "Thank you for your service," seems inadequate in the light of the sacrifices made.
- Our educational program for this month was given by The Alzheimer's Association who presented, "10 Warning Signs" to an interested group. Leave the stigma behind and become educated! There was plenty of conversation and great questions following the presentation.
- A group spent some time and \$\$\$ Thrift shopping in Grandview and had lunch at Hofbrauhaus.
- A small but fun group went to Lithopolis to see Little Shop of Horrors. The reviews were fantastic. As a side note, our own Driver, Wave Wilkerson, was the Musical Director for the production.
- Armchair Travel flew to Greece for November. We enjoyed Melomakaronas (Greek cookies, scratch made in house) and Honeyed Lemonade, local favorites.
