### **Central Ohio Risk Management Agency Liability Insurance Renewal**

Our 2021-2022 liability insurance renewal is due July 14, 2021 and an analysis and review was performed to verify insurable values for buildings, equipment, and vehicles was accurate and complete. Brian Strayer, Public Service Director, provided additional insights identifying items that needed to be included and also proper insurable values.

Cybercrime insurance is a separate renewal and not included in the City's overall liability insurance.

### **Aquatic Center Security Cameras**

Jason Carr, Seth Bower, Aquatics Manager, and Brian Strayer, Public Service Director, met with a representative from State Security for the installation of outdoor security cameras. A proposal was signed that will install 6 outdoor lens dome cameras which will record video stored to the cloud. A breakdown of cameras will be as follows:

Two (2) cameras will be outside the breezeway recording activity in the parking lot;  
Two (2) cameras will be installed in the breezeway capturing patrons leaving/entering the aquatic center;  
One (1) camera will be installed at the desk in the breezeway focused on the cash register;  
One (1) camera will be installed at the side gate near the concession area when overflow requires the operation of an additional cash register.

Video will be accessible by City staff/police and will be available up to 30 days. Cameras are expected to be installed the week of July 12, 2021.
