City Administrator Report to Council
City Council
BJ King, City Administrator
February 8, 2021

Upcoming Legislation

- **Ord. 2021-005 (2nd reading on February 25): Amendment to Development Plan for 2400 Rohr Road**

This application to amend the Development Plan for 2400 Rohr Road was submitted by The Pizzuti Companies. The original development plan was approved for the development of lots 1 thru 3. The turn lane is necessary to access lots 1 and 3. However, Pizzuti has purchased lot 2, which, by itself, does not need a turn lane for access. Pizzuti is seeking an amendment to the development to remove the turn lane requirement for Lot 2. The turn lane will become a requirement when lots 1 and 3 develop. The Planning & Zoning Commission unanimously recommended approval of this Development Plan amendment request.

Administrative Items

- **Livestreaming Council Meetings**
Staff continues to work thru the technical bugs to livestream our City Council meetings. Equipment has been installed and staff has run a few practice meetings to learn how to incorporate the Zoom app with the livestreaming equipment. Our goal is to begin livestreaming Council meetings on March 8th. A link will be placed on our webpage to access the livestream. Viewers will be able to see and hear the meeting, but won't be able to comment.
