Green aerification went very well and greens have completely healed.

The annual deep tinning of greens is tentatively scheduled for the middle of November.

Attached is the Proposed Rates for golf beginning April 1st 2022 for In Season and the Off Season rates for 2022 and 2023. Rates for Residents were increased by \$1 for greens fees and \$2 for Non Residents across all demographics. Cart fees were amended from \$7 for 9 and \$14 for 18 to \$10 for 9 holes and \$16 for 18. Also the Off Season schedule was change from beginning October 1st to November 1st, this change is consistent with the changes made by the Ohio Golf Association's new determination of the "Golf Season. Lastly the number of players required to be considered an Outing and receive the Outing rate is proposed to be increased to 32 players.
