PUBLIC WORKS REPORT TO COUNCIL

- Christmas decorations have been replaced and removed after the holidays.
- Snow and ice removal continues as needed.
- Two water breaks, a 2" line at College Street and Grove Street and a 4" line at Elm Street and Oak Alley. Both breaks were performed on weekends. College Street due to traffic control and Elm Street due to low temperatures and negative wind chill factors.
- Fence construction at Town Center per code and drawing of site development.
- Cold patch as needed.
- Weekly brush pickup continues.
- Closing of leaf pick up season.
- A fall tree planting took place where 89 trees were re-planted to replace lost trees throughout the year. This was possible through the development taking place on Rohr Road, Rick 7-17, the Van Trust Real Estate, LLC. Replacement of trees was for the trees removed through the development of this site.

Any questions and/or concerns contact Dennis Moore.
