

Council Update – January 19, 2021

Community Affairs Department – Patty Storts, Director

Happy New Year!!!

Town Hall staff is very anxious to get back to normal. Hopefully in the very near future we will be able to open up our doors for room reservations and face to face programs. Staff continues to do virtual programs on Social Media.

I am in the process of creating a map of the location of all Veterans and Heritage Park bricks to put on our website so when we receive inquiries we will be able to give the location of that particular brick. I will keep you updated on the progress of this project.

We are beginning to receive calls for the Farmers Market. Tentative dates are June 29 through September 14 from 4 – 7 pm.

Meetings Attended

- January 11 - Trees and Decoration Committee Meeting
- January 14 – Phone call meeting with Executive Director of the Chamber of Commerce, Terri Christiansen on what activities the Chamber of Commerce might be able to do in the first half of 2021 and how Town Hall may be able to help with those activities.
