#### ***Legislation***

##### Franchise Agreement with South Central Power Company (3<sup>rd</sup> Reading)

The current 25-year franchise agreement terminates November 17, 2017. This spells out South Central's requirements for the area of the City in their service area. The term of the new agreement is also 25 years.

##### Adoption of the SWACO Solid Waste Management Plan (3<sup>rd</sup> Reading)

This is the City's approval of the draft Solid Waste Management Plan for SWACO of which we are a member. An overview of the plan is provided as part of the agenda.

##### Solicit Proposals and Enter into a Contract for Janitorial Services (1<sup>st</sup> Reading)

The current janitorial contract is a two-year contract with an option to renew for two additional years. We will be at the end of this four-year period in February 2018. We are requesting that proposals be solicited for a new contract for these services.

#### ***Miscellaneous***

##### No Solicitation Sign – Founders Bend

As requested by the resident who attended the August 28 Council meeting, I have discussed the ability to attach a "No Solicitation" sign on the Founders Bend subdivision sign that is located on City property with the Law Director. His opinion is that this is not permitted. The City cannot put a sign on our property that is inconsistent with our own law. Also, the subdivision cannot prohibit something for the entire subdivision that is allowed by police power. An individual property owner can prohibit this for his/her own property.
