Finance Director Jeff Green commented this is something we haven't done for a while with a final plat. This deals with the Opus Development at the end of Green Pointe Drive. They are finalizing things that were not originally called for in the development plan, such as, adding the cul-de-sac at the end of Green Pointe Drive and other infrastructure issues. This Ordinance is routine procedure for Council to accept the plat for recording purposes.

The Clerk of Council read by title Ordinance No. 14-014.
