NOVEMBER 2022

Mayor Westcamp, Members of Council & Staff

- Apparatus Update:
 - Engine 181, which was struck on I270 back in January, is nearing repair completion. We are sending a member of the Department to Roanoke, Virginia, to conduct the final inspection of the vehicle this coming week. The truck will then be shipped, via flatbed, back to us in early to mid-December.
 - We have taken acceptance of new Engine 183. It is currently having tools and equipment mounted at Heritage Fire Equipment and will be sent to B&C Communications on November 28th to have the radios, GPS, and modem installed. Once complete, we will conduct operational training and complete a driver's course. We hope to have the truck in service by the end of December.
- Station 181 will be assisting with the delivery of Mayor Westcamp and Santa to Heritage Park on Sunday, December 4th.
- Thank you for inviting the Township to the Veteran's Day Celebration on November 11th. Despite the soggy conditions, it was a great turnout, and we were honored and humbled to be present. Community Affairs Director Jessica Wyke and her team did a great job organizing the event and preparing for the weather conditions.
- On Saturday, December 3rd, Madison Township will be holding its Annual Santa Parade. The parade starts at 1:00 and will travel through the streets of Blacklick Estates. The parade route can be found on the Township's Facebook page.
