

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

September 14, 2015

ADMINISTRATION – *Marsha Hall*

Legislation

Modification of the Hunting Map (3rd Reading) – Map is primarily changing because Metro Parks has requested that their property be shown on the hunting map as to not permit hunting on their properties.

Prohibit Food Vendors from Setting Up on Private Property during a City Event (3rd Reading) – We wish to prohibit food vendors who sit up on private property during City sponsored events.

Use Variance for 595 Cherry Street (2nd Reading) – This use variance is being submitted by the City for use as a food pantry. The previously approved lease agreement has been sent to the food pantry for their review.

No Parking Madison Street (1st Reading) – To begin the process of prohibiting parking around the post office on Madison Street.

The Links Sanitary Sewer Project Bid Results

Of the four bids received, the low bidder is TAM Construction at \$372,745.00. The engineer's estimate was \$495,800.00 so the low bid is much lower than anticipated. We will be signing the contract soon.

Residential Trash Contract Bids

While Ordinance 15-034 allowed me to solicit bids and enter into a residential trash contract, I indicated at that time that I would bring back the bid results to Council prior to entering into a contract through SWACO. The bids have been opened and results are below:

Local Waste was the low bidder. They submitted a number of options:

- * Same services, including billing, is \$14.17
- * Same services, without billing, is \$14.00
- * Same services contract can be either a three year or five year contract
- * If three-year contract, cost for 2 one-year extensions would be \$14.10/\$14.27 for 2019 and \$14.20/\$14.37 for 2020
- * Automated pickup, including disposal containers, is \$16.50 for a five-year contract
- * Pick up day will remain the same.

Current contract pricing is \$14.28.

The other two companies that bid were Republic Services with a cost of \$40.00 2016-18, \$41.00 2019 and \$42.00 2020; and Rumpke of Ohio, Inc. with a cost of \$19.90 for 2016-18, \$20.61 for 2019, \$21.33 for 2020.

If we choose not to select Local Waste, we will need to advertise for bids separately from the other SWACO consortium communities.

CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

2014 Projects

At the beginning of 2014 we had so many projects on-going I prepared a list of them for the department heads to check off as each one was completed. I am providing you with that list as a separate document. As you go through it, you will see that every project on the list, except Phase 2 of the Wirt Rd pedestrian path which will be constructed next year, has been completed. I just wanted to remind you of how much we all – you and staff – were able to accomplish.

Meetings Attended:

Aug. 25	Update on GREAT program
Aug. 26	Mtg. w/resident re. cat issues
Aug. 27	SWACO re. residential trash contract
Sept. 10	Budget mtgs. w/ Dept. Heads

Upcoming Meetings

Sept. 14	Preservation Committee mtg.
Sept. 15, 16	Budget mtgs. w/ Dept. Heads
