The Recreation Fund and Golf Course have historically operated at losses. In order to “break-even” annual transfers from the General Fund are necessary. Through the YTD October 2020, Recreation and Golf Course Funds operational receipts are down \$934,249.46 and \$112,299.53, respectively. Based on the current operating environment, we anticipate the need to increase budgeted transfers from the General Fund as these departments are unable to generate sufficient receipts from operations consistent with prior years.
