Legislative items

1st Readings

- **Ord. 2021-042 – 0 Hamilton Road – Laydown Yard for Bedrock Development**
This ordinance would approve a final development plan for a laydown yard for the Bedrock Development. This ordinance should be referred to the Planning and Zoning Commission for their September 7th meeting.
- **Ord 2021-043 – Amendment to Plat – 5740 Green Pointe Drive North**
This ordinance would approve an amendment to the Plat for 5740 Green Pointe Drive North, to reduce the landscape buffer along Hamilton Road to allow additional parking. This application should be referred to the Planning and Zoning Commission for their September 7th meeting.
- **Ord. 2021-044 – MORPC 5310 Grant for Transportation Vehicles**
Approval of this ordinance would authorize the Administration to submit a 5310 Grant Application to MORPC for the purchase of vehicles for our Senior Transportation Program. We received notice on August 17 that the award period opened with a deadline of September 20th to submit applications. The City applies for this grant about every two years. We have successfully been awarded grants thru this program that has allowed us to purchase ADA vehicles at a fraction of the vehicle cost. There is typically a 20% local match. We have received 5 of these grants in the past, totaling approximately \$215,000. All of the vehicles currently in operation for the Senior Transportation Program have been purchased using 5310 grant funds. Due to the submission deadline of September 20th, the Administration requests that this be passed as an emergency on August 23.
