2018	4,159	17,627
2019	4,257	19,463
2020	4,305	15,091
2021	4,857	23,903
2022	5,080	22,419
2023	5,253	26,177

Green aerification is taking place the week of September 11th during the Road Construction closure. We will also be aerifying the driving range and tees. It has been posted on the doors and on the phone greeting for the last week. We're also reminding players when they call in for tee times. Weather following aerification looks good and should aid in a speedy recovery.
