

**CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL**

December 8, 2021

Engineering Department – *Steve Farst*

- **Capital Projects:**

W. Bixby Rd., Phase 2	Road is open. Work in this contract is substantially complete. Rail crossing is being negotiated with the railroad for a future time. Punch list is prepared and is to be addressed by the contractor.
-----------------------	--

Phase 2 S. Hamilton/Higgins	Work is substantially complete. Luminaires were installed on 12/6/21.
-----------------------------	---

Streets/Street:

2021 Street Maintenance	Work complete
-------------------------	---------------

Saltzgaber Road reconstruction Toy Road & Swisher Rd Improvements	Work is substantially complete. Some roadside grading and topsoil restoration underway. The Franklin County Engineer is planning to close the space between the two cul-de-sacs, to separate Toy Road traffic from the west.
---	---

Elmont Force Main Replacement project	Design is underway. Application was filed for partial funding for a Water/Wastewater Grant from the Ohio Dept. of Development. Awaiting outcome.
--	--

- **Development Projects:**

Redwood Apts. Hendron	Site is cleared and site grading has begun. Underground utility work will begin in late December/January.
-----------------------	---

2400 Rohr Rd	Site construction is underway. Utilities are being installed on site and across Alum Creek Drive.
--------------	---

5740 Greenpointe Dr North	Site construction is in progress.
---------------------------	-----------------------------------

Forward Air Site-Port Rd	Site construction is in progress.
--------------------------	-----------------------------------

CA Ventures Site-Hayes	Construction plans are approved by Groveport. Site construction preconstruction meeting held on 12/8. Site work will continue thru the winter. Site on-site and off-site utilities are expected to begin in January.
------------------------	--

Please contact Steve Farst with any questions or concerns.
