

CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

June 13, 2018

Engineering Department – *Steve Farst*

- **Capital Projects:**

Hanstein Addition and
College Street waterline
Improvements

Work is proceeding quickly. Contractor is Facemyer. Water lines are under construction along Seymour, Crescent, Hanstein, and Delane, in the Hanstein Addition. Work along College expected to begin in next couple weeks.

Glendening Sewer Rehab

Engineering design being wrapped up. Bid procurement to occur in July/August.

Hamilton Rd at Firehouse
Lane Intersection Imprvts

Design underway. Stage 1 design is complete and is under review of other agencies, including ODOT. Waiting on comments.

- **Streets/Street:**

2018 Street Maintenance
Program

Contractor is Strawser Paving Inc.

Spot Curb removal and repair is occurring this month, with some other paving maintenance as well. Most of the work will occur after mid-July. Work activities will include pavement removal and resurfacing with spot curb repair as needed, on the following streets:

- West St - from Green Ave north to Main Street
- Hanstein Addn Streets, including Elm Street, Seymour, Crescent, Delane, Hanstein Pl.
- Harbinger Drive
- Apple Grove Ct
- Fern Grove Ct
- Miscellaneous striping and pavement markings on Rohr Rd and at Elmont
- Miscellaneous curb repairs throughout the City.

Other work to include crack sealing on various streets, and reconstructing the brick sidewalks and curb ramps at the Main St./Kessler and Main St./Madison intersections.

During work times, some street-side parking will be temporarily discontinued. Resident notices will be posted in work areas in advance of the work to be performed.

- **Development projects:**

New High School site

Site improvements are preceding.

Rickenbacker Central

Site sewer and site improvements underway. (site formerly known as Kurtz Site)

Please contact Steve Farst with any questions or concerns.
