EASTER WEEKEND 4/3

In honor of the holiday, lit the lights on the front of the Town Hall in white and gold all weekend. Reminded everyone about our Easter Eggs-perience happening the next day.

STARTED PROMOTING GROVEPORT DAY 4/3

EASTER EGG-PERIENCE HOLIDAY FESTIVAL 4/4

Covered our festival at Heritage Park. It was the perfect spring day for an Easter Egg Hunt. It was packed. The line to meet the Easter Bunny wrapped around the log house. Unveiled our new selfie station banner.

GOLFER'S DAY 4/10

Golfer's Day celebrates the sport, its players, and its history. I wanted to showcase our great golf facility by producing a promotional video for it. The video features course amenities like the practice chipping green and driving range. Plus, it alerts the viewer that golf season has arrived and we're excited! It ends with a call to action by telling the viewer how to book a tee time.

GROVEPORT DAY 4/17

Unveiled the new City of Groveport logo on the town's birthday. Offered first looks at the logo being placed on city vehicles.

GROVEPORT DAY 4/17

Went around the city capturing the vibe of Groveport Day in pics. Many businesses got involved.

ARBOR DAY 4/27

The city partnered with Glendening and Groveport Elementary Schools to plant two new trees and celebrate the season of growth. Produced a video featuring Mayor Westcamp and Public Service Director Brian Strayer discussing the importance of Arbor Day.

A promotional poster for Memorial Day. The top half features a large, waving American flag. Below the flag, the text "MEMORIAL DAY" is written in large, bold, blue letters, followed by "REMEMBER AND HONOR" in smaller, red letters. To the right of this text are three stylized American flags of varying sizes. A dark blue banner contains the date "MONDAY, MAY 25" and the time and location "1:30 P.M. | Groveport Cemetery". Below the banner, two bullet points with star icons indicate "1:30 PM - PARADE BEGINS" and "MEMORIAL DAY CEREMONY FOLLOWS". A line of text states "Parade begins at Groveport Town Hall and concludes at Groveport Cemetery." At the bottom left is the City of Groveport logo, and at the bottom center is the American Legion logo. The website "www.groveport.org" is listed at the bottom. The bottom right corner features a stylized American flag graphic.
