

THE GENERAL ASSEMBLY OF  
**THE STATE OF OHIO**

## HOUSE OF REPRESENTATIVES

UNDER THE SPONSORSHIP OF

REPRESENTATIVE MEREDITH R. LAWSON-ROWE  
HOUSE DISTRICT 5

On behalf of the members of the House of Representatives of the 136th General Assembly of Ohio, I am deeply pleased to recognize the

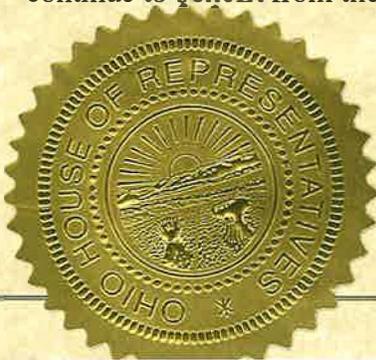

### **52ND ANNUAL GROVEPORT APPLE BUTTER DAY**

which was held from October 11, 2025 at Heritage Park.

In October 1974, the first Apple Butter Day event was held with a simple gathering of friends cooking apple butter over an open fire in a church parking lot. Since those humble beginnings, the day has grown to become a staple of the Groveport community and is now the city's much anticipated, premiere event of the autumn. Each year, multitudes return home to Groveport, or make the trek to the homey community, to partake in a day full of delicious homemade apple butter, live entertainment, food vendors, hayrides, pony rides and so much more.

This year's event will surely live up to, if not exceed, previous events with its showcasing of homemade apple butter kettles bubbling over wood fires, homemade crafts, antique tractors, pioneer demonstrations, cane pole fishing, and community fellowship. It will also again be home to the Apple Butter Day Spelling Bee contest for fourth and fifth graders. This day centers not only on leisure, but education, scholarship, and history, which is worthy of high praise.

Thus, with sincere pleasure, I commend the City of Groveport for its 52nd Annual Apple Butter Day and impress upon them the sincere gratitude of the 5th House District, which has and will continue to benefit from their contributions to the leisure and economy of the community.

A handwritten signature in dark ink, reading "Meredith R. Lawson-Rowe".
