

### Report to Mayor and Council

	Rounds	
	April	YTD
2015	1,967	2,443
2016	1,683	2,714
2017	2,375	3,593
2018	1,236	1,539
2019	1,818	2,281
2020	795	1,389

April has been a challenging month as it has been for everyone. We were able to open for most of the month for walking only in April. While this is not ideal it was at least something. Golf carts were made available beginning May 1<sup>st</sup>, 1 person per cart. All carts are sanitized after each use using the CDC recommended mix. Tee times are currently 20 mins, I started with 20 min tee times to ensure that there would be enough carts available. Based on how the last 2 weeks have gone I believe we can started to move to 15 mins tee times which will result in an extra tee time per hour.

All leagues have been postponed until June 1<sup>st</sup> or until the Governor rescinds the ban on organized sports leagues/competitions stated in the current Stay Safe Order. Also all Golf Outings are postponed until further notice.

We are planning to open Hole #14 for play Memorial Weekend.
