## **PUBLIC WORKS**

- Crews continue with tree maintenance and brush pickup.
- Asphalt work is taking place on Bixby Road between Hamilton Road and Ebright Road.
- Training of equipment started at the new water plant.
- Salt has been ordered from the ODOT Summer Bid at \$73.65 per ton, a 1000 ton order is to be delivered in 3 to 5 days, order placed on 6-8-2015. No changes in appropriations are needed at this time, money is within Public Work's budget.
- Contractor has started on the 2015 pavement project, on College Street from Main Street north to the railroad tracks. Pavement work will continue through the end of July on the remaining 2015 project scheduled streets.

Any questions and/or concerns contact Dennis Moore.
