GROVEPORT

FEBRUARY 2022

Mayor Westcamp, Members of Council & Staff

- We continue to work with Matt from PathMaster (Opticom) on issues we are experiencing with our apparatus and some intersections in the area. He did find that the system at College and Main was not operating correctly, and he rebooted the unit. Since the reset, that intersection and Front and Main are now working correctly. We are still working out some issues with our apparatus and should have them resolved shortly.
- We currently have two fire engines that have been involved in motor vehicle crashes. Unfortunately, one is inoperable, and the other is in service until scheduled repairs can be made. In the meantime, and over the next few months, we will be borrowing reserve apparatus from other agencies.

January 2022 Run Statistics:
