Groveport Transportation Department
Report to Mayor and City Council

Groveport Rickenbacker Employee Access Transit

- 1) Find the GREAT ridership summary attached.
- 2) Coronavirus response has remained essentially unchanged in the last month.
- 3) The shuttle that was extensively damaged earlier this year has been totaled. Administration, Finance and Transportation are taking the necessary steps to complete this process. Due to the nature of our currently reduced GREAT service and lack of internal programming, we find ourselves in the position where immediate replacement of this vehicle is not necessary. We are utilizing excess vehicle capacity from the Program Transportation fleet to fill the void at GREAT. We will keep you informed as changes require.

Groveport Senior Transportation

- 1) Find the Senior Transportation statistics attached.
- 2) Service to all senior residence locations has resumed. Coronavirus response continues to be diligent.

Groveport Program Transportation

- 1) Find the Program Transportation summary attached.
- 2) Coronavirus response: Program Transportation has not been in operation since March 6, 2020.

Please contact Bob Dowler with any questions, comments, or concerns.

Respectfully,
Bob Dowler, Director of Transportation
