

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

March 24, 2014

ADMINISTRATION – Marsha Hall

- Status of on-going projects
 - Town Center project – *In progress*
 - Port Rd. reconstruction – *Notice to commence issued 03/14*
 - Water Treatment Plant – construction being advertised; *bid opening delayed*
 - Police Building/MB Improvements – *In progress*

- Legislation – Changes to Pay Scale

Please see the memorandum included in your agenda regarding recommendations to modify the pay scale due to a cost of living adjustment. This consideration is part of the Compensation Plan adopted by Council in March, 2012.

- Legislation – Addition of One Full-time Assistant Golf Professional to Organization Chart

Council approved Tom Walker’s request for funding of one additional FT Assistant Golf Professional as part of your 2014 Budget. The only piece of the puzzle missing is to add this position to the City Organization Chart.

Emergency language is requested since the current Assistant Golf Professional will be taking a FMLA leave early in the golf season, so Tom would like to have the new position in place by May 1 in order to cover shifts.

- OPBA Negotiations

Please consider going into executive session at tonight’s meeting for personnel matters.

- KC-46A Project

I submitted a letter on behalf of the City to the Sec. of Air Force James in support of selecting Rickenbacker ANG Base as the main operating base for the KC-46A aircraft.
